Commitment to Achieving Net Zero

General Atomics Aeronautical Systems, Inc., (GA-ASI) currently does not have any operations in the United Kingdom (UK), that would be subject to PPN 06/21. If in the future GA-ASI opens manufacturing operations in the UK, GA-ASI will comply, as required, by PPN 06/21. GA-ASI was founded July 18, 1955, and is headquartered in San Diego, California. Specializing in research and technology development, our company provides remotely operated surveillance aircraft, Predator family systems and airborne sensors. We have pioneered the course of remotely piloted aircraft and redefined an industry that has transformed the world. GA-ASI's manufacturing operations are exclusively located in the United States (US).
